Let's face it. Most of us are clueless when it comes to praying. Why is that? And how come we've never done anything about it? In ***Confessions of a Prayer Slacker***, author **Diane Moody** traces her own personal prayer journey with a touch of humor and a healthy dose of transparency.

"I want my readers to stop the merry-go-round of prayerlessness, quit acting like a bunch of spiritual babies, and get serious about this thing called prayer. Without it, we'll never experience the warm, one-on-one relationship God desires to have with each one of us."

Editorial Review

Review

I've read several books about prayer over the years but this one is by far my favorite! Diane is a gifted writer who will help you uncover so many misconceptions you've picked up which have damaged your prayer life over the years. I can't tell you how many ah-ha moments I had in the midst of this enlightening, inspiring, read. I've been inspired to start an entire new prayer journey! --Pete Wilson, pastor of Cross Point Community Church, Nashville, Tennessee

Diane's style is easy to read and honest. Prayer slackers beware! This book will grip your heart and challenge you to go to the next level. --Dennis Hayford, Director, Greater Mobile Area Fellowship of Christian Athletes

Written to the slacker in all of us, Diane Moody turns our 'tired' into triumph by helping us clear the path to meaningful time with God. --Nicole Johnson, author and dramatist with Women of Faith
