#### **About the Author**

Dr. Greg Smalley and Erin Smalley met in college, where Greg instantly knew he wanted to marry Erin... but where it took her nearly four years to fall crazy in love with him. They then said their vows, had three biological children, and adopted a fourth from China. After resolving some key relationship struggles early on, Greg and Erin knew they wanted to help other couples learn how to live out the romance and adventure of marriage. To that end, they've written several marriage books and hosted marriage conferences both in the US and internationally. Recently celebrating their twenty-fourth anniversary, they say that marriage gets better every year. Greg, who earned a doctorate in psychology, is the vice president of marriage and family formation at Focus on the Family. Erin, who holds a master's degree in clinical psychology, works alongside him.
