### Focused for Soccer - 2nd Edition By Bill Beswick

Step onto the pitch focused, confident, and positive. Walk off a winner.

In the first edition of *Focused for Soccer*, internationally renowned coach Bill Beswick uncovered the power of sport psychology for soccer players and coaches worldwide. Now completely revised and updated, this new edition cements its status as *the* essential guide for mastering soccer's mental game.

*Focused for Soccer* emphasizes playing first with the head, then with the heart, developing decision-making skills, and keeping emotional responses in check. The practical tips, examples from top Premier League teams, and step-by-step techniques will help sharpen your skills and unleash your potential.

All aspects of the mental game are covered—from concentration and visualization techniques to building mental toughness and team cohesion. Featuring the latest coaching strategies for male and female players, match preparation, and communication, *Focused for Soccer* is your complete guide to a winning attitude and soccer success.

*"I have always been interested in the mental side of the game, and Focused for Soccer was the first book that helped me understand the power of attitude and how to get the best out of myself."*

**Jamie Carragher** -- Defender, Premier League, Liverpool, FC

*"Focused for Soccer is the most interesting book on soccer that I have read. The discussion of the modern coach alone makes this book compulsory reading for anyone wishing to belong to that category."*

**Roy Hodgson** -- Manager, Fulham FC, Premier League
