Editorial Review

From [Booklist](#)

With declarative text and glossy, full-bleed photos, the Community Helpers series introduces adult professions to the youngest readers. What sets this package apart from similar series is a particularly clean and stylish design and a willingness to show the unpleasant sides of the job—an unusual but welcome approach. Police Officers doesn't flinch from shots of a criminal being cuffed, cops in riot gear, and an officer approaching a car crash. For balance, there are K-9 units! An impressive blend of comforting tones plus realistic content. Preschool-Grade 1. --Daniel Kraus
