### The Contaxis Baby By Lynne Graham

In the gossip rags, socialite Lizzie Denton's situation looks pretty ugly—Lizzie meets boy, Lizzie dumps boy, brokenhearted boy dies in horrific car crash. Suddenly she's public enemy number one. And a disinherited heiress, to boot. No job, no home and only a designer wardrobe to keep her company. But the worst part is that the papers got it wrong, and Lizzie promised not to tell *anyone* the truth.

Devastated by the death of his half brother, Greek tycoon Sebasten Contaxis decides to punish the woman responsible: Lizzie Denton. But when he discovers that the stunning woman he can't keep his hands off—an inexplicable case of lust at first sight—is the same woman he's been seeking, Sebasten alters his scheme. After all, one broken heart deserves another, right?

And revenge is so much sweeter when it's served in bed—that is, until Lizzie has some surprising news for him—.
