The Glass Closet: Why Coming Out Is Good Business By John Browne

Part memoir and part social criticism, *The Glass Closet* addresses the issue of homophobia that still pervades corporations around the world and underscores the immense challenges faced by LGBT employees.

In *The Glass Closet*, Lord John Browne, former CEO of BP, seeks to unsettle business leaders by exposing the culture of homophobia that remains rampant in corporations around the world, and which prevents employees from showing their authentic selves.

Drawing on his own experiences, and those of prominent members of the LGBT community around the world, as well as insights from well-known business leaders and celebrities, Lord Browne illustrates why, despite the risks involved, self-disclosure is best for employees—and for the businesses that support them. Above all, *The Glass Closet* offers inspiration and support for those who too often worry that coming out will hinder their chances of professional success.

Editorial Review

Review

“Personal and instructive, *The Glass Closet* provides a compelling roadmap to what, as a society and as individuals, we can achieve if LGBT men and women are completely free from prejudice and anxiety because of who they are.” (--Lloyd Blankfein, CEO, Goldman Sachs)

“*The Glass Closet* by John Browne is a brave and fascinating book that shows how businesses can lead the way in promoting gay rights and why being yourself is best for business and for you.” (--Sir Richard Branson, Founder, Virgin Group)

“A courageous and salutary reminder that despite huge progress, we still have a long way to go to create the kind of tolerant and inclusive society of which business—as this book powerfully argues—must be a driving force.” (-- Paul Polman, CEO, Unilever)

“Culturally significant....[Browne] has taken pains to provide strikingly honest personal narratives and uses them to put a face on the problems at hand.” (Library Journal)

From the Back Cover

"I wish I had been brave enough to come out earlier during my tenure as the chief executive of BP. I regret it to this day. I know that if I had done so, I would have made more of an impact for other gay men and women. It is my hope that the stories in this book will give some of them the courage to make an impact of their own."
—John Browne

Today gay men and women in the Western world enjoy greater acceptance and more legal protections than ever before. Yet an alarming number of businesspeople choose to remain closeted at work. In *The Glass Closet*, John Browne, the former chief executive of BP, argues that whether you're lesbian, gay, bisexual, transgender, or straight, it's better for you and your business when you bring your authentic self to work.

Browne draws on the latest research, his own experience as a closeted gay man in the oil industry, and interviews with gay and lesbian leaders to expose the lingering culture of homophobia in corporations around the world, and to inspire the LGBT community to share who they are with their employers and coworkers. Courageous and thought-provoking, this call to arms demonstrates that the hidden cost of hidden lives is far greater than we have previously thought.

About the Author

John Browne was the CEO of BP from 1995 to 2007, which he transformed into one of the world's largest companies. He was the president of the Royal Academy of Engineering and is a fellow of the Royal Society, a foreign member of the American Academy of Arts and Sciences, and the chairman of the trustees of the Tate galleries. He holds degrees from Cambridge and Stanford Universities, was knighted in 1998, and made a life peer in 2001. He is now a partner at Riverstone Holdings, and is the author of the memoir *Beyond Business* and of *Seven Elements That Changed the World*.

Users Review
