When No One is Watching By *joseph hayes*

On the eve of announcing his run for Congress, a charismatic Chicago politician causes a deadly accident. Panicked, he frames his best friend, a good-hearted alcoholic, and flees the scene. As one man tries to pick up the pieces of his shattered life, the other embarks on a meteoric rise to political stardom. But when a dogged detective digs deeper into the case, the political superstar must decide just how far he is willing to go to keep his dark secret. Author Joseph Hayes combines page-turning suspense with a poignant tale of inspiration and redemption as he asks, is “the greater good” just a lie we tell ourselves to justify the sins we commit when no one is watching?
