**A Guide to Teaching Practice** By Louis Cohen, Lawrence Manion, Keith Morrison

*A Guide to Teaching Practice* has long been a major standard for all students on initial teacher training courses. This new edition has been extensively revised and updated to take account of the many changes which have taken place both within the education system and within training courses, including:

- \* school-based training,
- \* the impact of information technology and the increasing concern for school effectiveness.

As before, the book covers all the important basic skills and issues which students need to consider during their practice, such as planning, classroom organisation, behaviour management and assessment.

The fifth edition will ensure that this book remains one of the most useful and widely read texts for students embarking upon teacher training.
