Editorial Review

From the Back Cover

With its primary focus on language development, this comprehensive, contemporary, reader-friendly text encompasses the many new and exciting contributions to the information about human language acquisition, and keeps readers informed of the complex array of topics that provide the foundation for human communication and its development from birth through young adulthood.

Invigorate learning with the Enhanced Pearson eText

This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features:

- ***Embedded videos* . With 3 to 6 video clips in each chapter, students and practitioners can watch and hear content that further describes or explains the information in each chapter. Over 90% of the videos were created specifically for this edition. (See pages 118, 196, and 304 for examples.)**
- ***Reflect and Apply & Reflect and Analyze* interactive eText features included in each chapter allows readers to access a video, a thought-provoking question that requires application of the content in the video, a hint for thinking about the answer, and detailed feedback. (See pages 43, 204 & 93, 341 for examples.)**

About the Author

Kathleen Fahey, Ph.D. is Professor Emeritus at the University of Northern Colorado. She is a speech-language pathologist with 36 years experience in the assessment and intervention of childhood speech, language and literacy disorders. Her areas of expertise include development and disorders of articulation and phonology, early language, and school-age language and literacy. She teaches undergraduate and graduate courses in a traditional and online format.

Users Review
