Icons of Women's Style By Josh Sims

Behind nearly every item in the feminine wardrobe there is a first of its kind that has spawned countless others. While the definitive example—often created by a single—has achieved icon status, its various reinterpretations, season after season, have become fashion staples.

Take Coco Chanel's short, simple black dress first published in American Vogue in 1926, for instance. Vogue predicted that the LBD would become 'a sort of uniform for all women of taste' and, indeed, it proved to be one of Chanel's greatest contributions to fashion.

Icons of Women's Fashion examines, item by item, the most influential and legendary garments and accessories – their provenance and history, the stories of their design, the celebrities who made them famous, and the various ways they have shaped how women dress today.

Josh Sims is a freelance style writer, contributing to the Financial Times, the Independent, Channel 4, the BBC, Esquire, GQ, Wallpaper, and i-D. He is the author of Icons of Men's Style, Cult Streetwear, and 100 Ideas that Changed Street Style (all Laurence King), and contributor to several fashion books for Taschen.

Users Review

From reader reviews:

Ruby Carter:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Alongside that you can your reading proficiency was fluently. A reserve Icons of Women's Style will make you to be smarter. You can feel much more confidence if you can know about anything. But some of you think in which open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or suited book with you?

Omar Carter:

Information is provisions for individuals to get better life, information today can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is within the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Icons of Women's Style as your daily resource information.

Kristina Keene:

Is it you who having spare time subsequently spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Icons of Women's Style can be the answer, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these publications have than the others?

Megan Lapointe:

What is your hobby? Have you heard that will question when you got college students? We believe that that problem was given by teacher with their students. Many kinds of hobby, Every person has different hobby. So you know that little person similar to reading or as studying become their hobby. You need to understand

that reading is very important as well as book as to be the point. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You find good news or update concerning something by book. A substantial number of sorts of books that can you go onto be your object. One of them is niagra Icons of Women's Style.
