Editorial Review

Review

'The book brings together the knowledge, skills and day-to-day practice of those in the industry to provide an overview of the management and control of the engineering capital projects. Students will find the book particularly helpful as it contains such a broad spread of information.' - ICSM, June 1997

Users Review

From reader reviews:

Paul Otoole:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each e-book has different aim or goal; it means that publication has different type. Some people sense enjoy to spend their a chance to read a book.
