Luna By Julie Anne Peters

Regan's brother Liam can't stand the person he is during the day. Like the moon from whom Liam has chosen his female namesake, his true self, Luna, only reveals herself at night. In the secrecy of his basement bedroom Liam transforms himself into the beautiful girl he longs to be, with help from his sister's clothes and makeup. Now, everything is about to change-Luna is preparing to emerge from her cocoon. But are Liam's family and friends ready to welcome Luna into their lives? Compelling and provocative, this is an unforgettable novel about a transgender teen's struggle for self-identity and acceptance.

Editorial Review

From School Library Journal

Grade 9 Up—"Yeah, I loved her. I couldn't help it. She was my brother." Regan has always been there for her transgender brother, Liam, sacrificing her needs for his, but when he announces that he is ready to "transition" into Luna permanently, Regan is not sure she can handle the consequences. She has been his confidant all her life, letting Luna dress in her room, buying underwear for her when Liam couldn't, and giving support. However, when the attractive new guy in chemistry class shows an interest in Regan, she wishes her sibling would just go away and give her a chance to live her own life. Liam realizes that in order for his sister to be free, he, too, must free himself to become the woman who lives inside him. Told from Regan's point of view in the present and in flashback, this novel breaks new ground in YA literature with a sensitive and poignant portrayal of a young man's determination to live his true identity and his family's struggle to accept Luna for who she really is.

Gr. 8-12. Peters tells two stories in this groundbreaking novel--one about Regan, and the other about Liam, Regan's transgender brother, who is the son his father expects by day but a young woman, Luna, by night. Fiercely protective of Liam/Luna, Regan has put her life on hold; she worries about her brother's female self being discovered and the family's reaction, and she fears that her brother may someday give in to despair. While Regan wonders if she will ever be able to have a life separate from the needs of her sibling, Liam seriously begins to consider a permanent change. Peters isn't putting forward a political agenda here. Rather, she's bringing the circumstances surrounding a difficult situation to light, and her sensitively drawn characters realistically encompass a wide range of reactions--from tentative acceptance by a best friend to Mom's feigned ignorance and Dad's total disbelief. The subject matter and occasional rough language will undoubtedly raise some eyebrows, but this book belongs in most YA collections. *Cindy Welch*

From reader reviews:

John Cleveland:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a guide. Beside you can solve your problem; you can add your knowledge by the guide entitled Luna. Try to face the book Luna as your close friend. It means that it can be your friend when you really feel alone and beside that course make you smarter than in the past. Yeah, it is very fortunate to suit your needs. The book makes you more confidence because you can know everything by the book. So, we need to make new experience in addition to knowledge with this book.

Mary Grubb:

What do you about book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy man? If you don't have spare time to accomplish others business, it gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question because just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this Luna to read.

Rick Beard:

Here thing why this particular Luna are different and reliable to be yours. First of all reading through a book is good but it really depends in the content from it which is the content is as delicious as food or not. Luna giving you information deeper and different ways, you can find any reserve out there but there is no guide that similar with Luna. It gives you thrill reading journey, its open up your personal eyes about the thing that will happen in the world which is perhaps can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your means home by train. Should you be having difficulties in bringing the paper book maybe the form of Luna in e-book can be your alternate.

Bernie Watts:

The event that you get from Luna is the more deep you rooting the information that hide within the words the more you get serious about reading it. It doesn't mean that this book is hard to know but Luna giving you thrill feeling of reading. The copy writer conveys their point in selected way that can be understood simply by anyone who read the item because the author of this reserve is well-known enough. This kind of book also makes your own personal vocabulary increase well. It is therefore easy to understand then can go along with you, both in printed or e-book style are available. We advise you for having this kind of Luna instantly.
