Roy Rogers:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
