Editorial Review

Review

"It's a big, sprawling, Gothic-style universe, filled with high tech, SF goodness with a liberal dose of decay and squalor... Abnett does a bang up job of detailing the various settings in the book and bringing the universe to life. It feels lived in, alive." (SF SIGNAL) "...a highly cinematic read, in which Abnett delivers a convincing, intricately constructed future, filled with interesting characters." (SF SITE)
