Son of the Morning (Pocket Books Romance) By Linda Howard

New York Times bestselling author Linda Howard captivates readers in the deeply romantic tale of a contemporary woman who unravels an extraordinary mystery from the past . . . by living it.

A scholar specializing in ancient manuscripts, Grace St. John never imagined that a cache of old documents she discovered was the missing link to a lost Celtic treasure. But as soon as she deciphers the legend of the Knights of the Templar -- long fabled to hold the key to unlimited power -- Grace becomes the target of a ruthless killer bent on abusing the coveted force. Determined to stop him, Grace needs the help of a warrior bound by duty to uphold the Templar's secret for all eternity. Editorial Review

Amazon.com Review

All of Linda Howard's novels are wonderful but this exceptional time-travel is her first foray into paranormal romance--and it's not to be missed. Grace St. John, a scholar, unwittingly discovers the Knights of Templar's secret treasure. Suddenly, her life is upturned when she spies her boss murdering her husband and brother. With no reason to live, except to extract vengeance, Grace becomes a fugitive of the law as she attempts to find an explanation for this horrible act. Grace simultaneously translates 14th century medieval documents written by Black Niall. This embittered knight reaches into Grace's subconscious and the two begin to share dreams 700 years apart.
