### Editorial Review

#### Review

'The introduction and commentary reveal an author with a lively awareness of the importance of perceiving the play as a theatrical document, one which comes to life, which is completed only in performance ...' The Review of English Studies

#### From the Publisher

This is one of Shakespeare's darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the most disturbing story of the Jewish moneylender Shylock and his demand for the "pound of flesh" owed him by the Venetian merchant, Antonio, who has fallen into Shylock's debt. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best.
