Meet Haley Miller. She's a 15-year-old girl of average height, average weight, and an average sense of style. Installed in her first public high school, Haley faces the toughest choices of her young life. And guess what? She's all yours.

In this interactive novel, readers lead Haley through the halls of Hillsdale High for better or for worse. Until graduation do you part. Do you guide her away from the pitfalls of peer pressure? Or into the vortex of bad boys and parties? Send her to homecoming with the captain of the soccer team . . . or have her skip the dance to go on a road trip with the hot rebel. Give Haley a makeover or teach her to love herself the way she is. Pick which crowd she'll hang with. Tell her how often to do her homework. And decide whether she drinks or inhales.

You determine her fortune. Her grades, her friends, her love life, her future. With Haley's many positive traits, you should have no trouble achieving success . . . or will you? It's all in the way you work, love, and play with Haley Miller, the girl with the most potential at Hillsdale High.
