In Mozart's Shadow: His Sister's Story By Carolyn Meyer

Nannerl Mozart was a musical prodigy who seemed to have a brilliant future. But once her younger brother, Wolfgang, began composing symphonies at the age of five, her career and talents were utterly eclipsed. Here, at last, is Nannerl's heart-wrenching tale. It's the story of her undying passion for music; her relationship with her "miracle boy" brother; and her life as the "other Mozart," the one forgotten by history.

The acclaimed Carolyn Meyer has written a powerful historical novel about a little-known but gifted musician who never stopped dreaming.

Includes an author's note.

Editorial Review

From School Library Journal

Grade 8 Up—For many people, knowledge of Nannerl Mozart is confined to the footnotes of her younger brother Wolfgang Amadeus's biography, a fellow wunderkind touring the courts of Europe with her more renowned sibling before fading into the background as an adult. Meyer brings Nannerl to the fore, presenting her as a gifted, sensitive musician whose ambitions for a professional career are thwarted by the restrictions placed on her gender and the demands of her father, who is more interested in promoting his genius son. Her childhood closeness with Wolferl becomes increasingly strained as his career takes him farther from his family and ultimately to a too-early grave. The narrative occasionally descends into a dry recitation of facts, but Meyer creates interesting portraits of Nannerl, the impudent Wolfgang, and their tyrannical father. Give this one to music students and historical fiction devotees.—*Christi Voth Esterle, Parker Library, CO*

From [Booklist](#)

What was it like to grow up the older sister of a genius composer? Meyer imagines the life of Nannerl Mozart from the time she is 13 and Wolfgang is 8. They perform together before rapt audiences across Europe until his extraordinary talent and genius as a composer overshadow her musical gifts. The feminist message is not overdone, but the novel is far too long and detailed, with numerous similar scenarios of the siblings growing up under the eyes of their devoted, autocratic father and of Wolfgang's traveling while Nannerl, furious, remains at home (Why must I be left behind again?). In addition, Meyer gives no information about her sources, so it's hard to know how much is based on fact. Problems aside, Nannerl's first-person narrative still makes for universal drama, especially because her anger and jealousy never subsume her enduring love for her brother, their mischievous bond, or their shared love of music as refuge and joy. Grades 7-12. --Hazel Rochman

Users Review

From reader reviews:

Kenneth Roberts:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each reserve has different aim as well as goal; it means that book has different type. Some people feel enjoy to spend their the perfect time to read a book. They are reading whatever they have because their hobby is actually reading a book. Consider the person who don't like reading a book? Sometime, particular person feel need book after they found difficult problem as well as exercise. Well, probably you will want this *In Mozart's Shadow: His Sister's Story*.

Barbara Butler:

Spent a free time and energy to be fun activity to complete! A lot of people spent their leisure time with their family, or their particular friends. Usually they carrying out activity like watching television, planning to beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your current free time/ holiday? Might be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try out look for book, may be the guide untitled In Mozart's Shadow: His Sister's Story can be fine book to read. May be it can be best activity to you.

Hubert Smith:

Are you kind of active person, only have 10 or 15 minute in your time to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are having problem with the book when compared with can satisfy your limited time to read it because all this time you only find book that need more time to be read. In Mozart's Shadow: His Sister's Story can be your answer mainly because it can be read by you who have those short spare time problems.

Thomas Schroeder:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just small students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this In Mozart's Shadow: His Sister's Story can make you sense more interested to read.
