Rogue Planet (Star Wars) By Greg Bear

MASTER AND APPRENTICE

The Force is strong in twelve-year-old Anakin Skywalker . . . so strong that the Jedi Council, despite misgivings, entrusted young Obi-Wan Kenobi with the mission of training him to become a Jedi Knight. Obi-Wan? like his slain Master Qui-Gon? believes Anakin may be the chosen one, the Jedi destined to bring balance to the Force. But first Obi-Wan must help his undisciplined apprentice, who still bears the scars of slavery, find his own balance.

Dispatched to the mysterious planet of Zonama Sekot, source of the fastest ships in the galaxy, Obi-Wan and Anakin are swept up in a swirl of deadly intrigue and betrayal. They sense a disturbance in the Force unlike any they have encountered before. It seems there are more secrets on Zonama Sekot than meet the eye. But the search for those secrets will threaten the bond between Obi-Wan and Anakin . . . and bring the troubled young apprentice face-to-face with his deepest fears?and his darkest destiny.

Editorial Review

Amazon.com Review

It's an unexpected combination: Greg Bear, author of so many ambitiously complex SF novels, writing about the colorful simplicities of the *Star Wars* universe. But he carries it off well, with a mix of action-adventure and thoughtful world building that entertains while keeping to the spirit of Lucas's saga.

A few years after the events of *The Phantom Menace*, young Anakin Skywalker is getting restless--sneaking away from Jedi Temple training to gamble his life in a flying game that's much more bizarre and dangerous than the movie's podracing, even before an alien Blood Carver assassin intervenes. Anakin's character is taking shape now:

But above all, he loved *winning*.

To turn the boy's frustrated energy to useful ends, the Jedi Council has Obi-Wan Kenobi take Anakin to investigate the remote, enigmatic world Zonama Sekot, whose organic technologies produce magnificent spacecraft, and where a Jedi has vanished without a trace. Secretly pursuing them is a battle squadron captained by the weapons designer who has already blueprinted the Death Star and is being double-crossed by his employer Commander Tarkin.

Rogue Planet's action climaxes as the Jedis learn to grow their own spaceship, the Blood Carver strikes, and two heavily armed fleets converge on helpless-seeming Zonama Sekot. Every faction has secret cards up its sleeve--and Anakin's is a very dangerous wild card indeed. There's final victory and heartbreak, but also loose ends (including even stranger, deadlier aliens) that suggest sequels to follow. Bear does a solidly workmanlike job. --David Langford, *Amazon.co.uk*

From Library Journal

The young Obi-Wan Kenobi trains 12-year-old Anakin Skywalker to become a Jedi knight.

MASTER AND APPRENTICE

The Force is strong in twelve-year-old Anakin Skywalker . . . so strong that the Jedi Council, despite misgivings, entrusted young Obi-Wan Kenobi with the mission of training him to become a Jedi Knight. Obi-Wan? like his slain Master Qui-Gon?believes Anakin may be the chosen one, the Jedi destined to bring balance to the Force. But first Obi-Wan must help his undisciplined apprentice, who still bears the scars of slavery, find his own balance.

Dispatched to the mysterious planet of Zonama Sekot, source of the fastest ships in the galaxy, Obi-Wan and Anakin are swept up in a swirl of deadly intrigue and betrayal. They sense a disturbance in the Force unlike any they have encountered before. It seems there are more secrets on Zonama Sekot than meet the eye. But the search for those secrets will threaten the bond between Obi-Wan and Anakin . . . and bring the troubled young apprentice face-to-face with his deepest fears?and his darkest destiny.

Users Review

From reader reviews:

Jerrod Spicher:

Here thing why this particular Rogue Planet (Star Wars) are different and trustworthy to be yours. First of all examining a book is good but it depends in the content of it which is the content is as delicious as food or not. Rogue Planet (Star Wars) giving you information deeper and different ways, you can find any publication out there but there is no publication that similar with Rogue Planet (Star Wars). It gives you thrill reading journey, its open up your own personal eyes about the thing this happened in the world which is might be can be happened around you. You can easily bring everywhere like in area, café, or even in your approach home by train. Should you be having difficulties in bringing the printed book maybe the form of Rogue Planet (Star Wars) in e-book can be your substitute.

Tony Paulson:

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want truly feel happy read one using theme for entertaining including comic or novel. The actual Rogue Planet (Star Wars) is kind of guide which is giving the reader unforeseen experience.

Myron Mendez:

The actual book Rogue Planet (Star Wars) will bring that you the new experience of reading some sort of book. The author style to describe the idea is very unique. In case you try to find new book to see, this book very suitable to you. The book Rogue Planet (Star Wars) is much recommended to you to learn. You can also get the e-book from your official web site, so you can more readily to read the book.

Peter Delaune:

The reason why? Because this Rogue Planet (Star Wars) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret the item inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content inside of easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of positive aspects than the other book have got such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.
