Editorial Review

Amazon.com Review

Setting: Seattle, Washington

Sensuality: 8

At long last, *Seattle Times* columnist Jane Alcott has a shot at a full-time assignment. She badly needs the income, but unfortunately, the opening is for a sports reporter traveling with the Seattle Chinooks hockey team and she knows nothing about the game. To add to her difficulty, the team doesn't want her, especially Luc "Lucky" Martineau, the Chinooks \$33 million goalie. The team stonewalls when she tries to interview them and they haze her mercilessly; it isn't until the superstitious Luc decides that she brings good luck that Jane gets a shot at being a real journalist. But when her acceptance by the team leads to spending more time with Luc, Jane finds, to her dismay, that he's more than a handsome, empty-headed sports jock and her heart is in danger.

For his part, Luc learns that behind "plain Jane's" boring dark clothing and black-rimmed glasses lies a quick wit, nerves of steel, and a personality that charms him. And when Jane appears at a team banquet with a new haircut, makeup, and a killer red dress with matching sexy stilettos, Luc's affection fast-forwards into a major case of serious lust. But if Jane lets herself fall in love, she'll have to find a way to explain the secret she's hiding before it becomes public knowledge and Luc's passion turns to hate. Can she bring herself to tell him the truth? And if she does, will he forgive her?

Set in the rough and tumble world of professional hockey, *See Jane Score* features an intelligent, likable heroine and a hero with depth beneath his sports jock façade. The layered characters, intriguing setting, and the novel's compelling emotional plot all add up to an excellent contemporary romance. Don't miss this one.

--Lois Faye Dyer

From Publishers Weekly

Anyone who has ever salivated over a sports pro or mooned after a movie star will relish this fanciful romance between brainy Seattle Times columnist Jane Alcott and hockey player Luc Martineau. Luc, nicknamed Lucky for his ability to score with women and keep his opponents from scoring on the ice, is less than thrilled to hear that Jane will be reporting on the team's games and digging into his unsavory past. Still, he can't help feeling attracted to the pint-sized writer, despite her drab clothes and unfortunate profession. For Jane, the assignment is the perfect opportunity to stop writing fluff and break into serious reporting. But following the progression of the puck turns out to be less challenging than getting the players to talk, particularly Luc, whose lusty looks make her want to ditch her black clothes and wear red. The two eventually wind up in bed together, but Luc's fear of commitment and Jane's fear of abandonment may keep them from taking the next step. Readers will find themselves cheering for the charming couple with the fervor of frenzied hockey fans. Like most fairy tales, this one involves an unlikely transformation (a red dress turns plain Jane into a seductress), but the minor contrivance won't dim readers' enjoyment of this witty, warm-hearted tale.

About the Author

Rachel Gibson began her fiction career at age sixteen, when she ran her car into the side of a hill, retrieved the bumper, and drove to a parking lot, where she strategically scattered the car's broken glass all about. She

told her parents she'd been the victim of a hit-and-run and they believed her. She's been making up stories ever since, although she gets paid better for them nowadays.

Users Review

From reader reviews:

Wayne Santiago:

Do you among people who can't read gratifying if the sentence chained inside straightway, hold on guys that aren't like that. This See Jane Score book is readable by simply you who hate the perfect word style. You will find the info here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to provide to you. The writer involving See Jane Score content conveys objective easily to understand by lots of people. The printed and e-book are not different in the content material but it just different by means of it. So , do you nevertheless thinking See Jane Score is not loveable to be your top collection reading book?

Clifford Ranger:

Reading a book to get new life style in this 12 months; every people loves to learn a book. When you learn a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and also soon. The See Jane Score will give you a new experience in examining a book.

Richard Mendoza:

Many people spending their time frame by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to pay your whole day by reading a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, having everywhere you want in your Cell phone. Like See Jane Score which is having the e-book version. So , try out this book? Let's find.

Jack Bell:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this See Jane Score can make you experience more interested to read.
