## The ISA Handbook of Diverse Sociological Traditions (SAGE Studies in International Sociology) From Brand: SAGE Publications Ltd

This latest edition to the ISA handbook series actively engages with the many traditions of sociology in the world. Twenty-nine chapters from prominent international contributors discuss, challenge and re-conceptualize the global discipline of sociology; evaluating the diversities within and between sociological traditions of many regions and nation-states. They assess all aspects of the discipline: ideas and theories; scholars and scholarship; practices and traditions; ruptures and continuities through an international perspective. Its goal is to become a text for debating the contours of international sociology.

## **Editorial Review**

### **Review**

Sujata Patel has conjured into existence a brilliant treasury of wisdom and insight drawn from leading sociologists throughout the world, including, for example, Latin America, Africa, India, Europe and the United States. This handbook on sociological traditions not only shows their surprising richness and diversity but also provides a valuable toolkit of concepts, approaches and analyses. It is a striking achievement, of which the International Sociological Association can be very proud, to have brought so many independent-minded scholars into so productive a dialogue

**Dennis Smith**

**Professor of Sociology, Loughborough University**

---

The ISA Handbook is a considerable achievement for bringing together much more information on the development of sociology in many different countries than is available elsewhere between two covers. Its enduring value lies in the richness of this carefully analyzed information about the global production of sociological knowledge. That it also opens the questions of sociological knowledge and power in relation to unity and diversity but without imposing any premature closure on them should be considered its second virtue

**Saïd Amir Arjomand**

**International Sociology Review of Books**

### **About the Author**

**Sujata Patel** is a sociologist at the University of Hyderabad. An historical sensibility and a combination of four perspectives – Marxism, feminism, spatial studies and post structuralism – post colonialism influences her work which covers diverse areas such as modernity and social theory, history of sociology/social sciences, city formation, social movements, gender construction, reservation, quota politics and caste and class formations in India. She is also an active interlocutor of teaching and learning practices, and has written on the challenges that organise its reconstitution within classrooms, university structures. She is the author of more than 60 papers and is the series editor of *Sage Studies in International Sociology* (including *Current Sociology Monographs* (2010–2014), *Oxford India Studies in Contemporary Society* (Oxford, India) and *Cities and the Urban Imperative* (Routledge, India). She is also the author of *The Making of Industrial Relations* (Oxford University Press, 1997), editor of *The ISA Handbook of Diverse Sociological Traditions*, Sage London (2010) and *Doing Sociology in India, Genealogies, Locations and Practices* (Oxford, 2011) as also a co-editor of five books, *Bombay: Metaphor of Modern India* (Oxford University Press, 1995); *Bombay: Mosaic of Modern Culture* (Oxford University Press, 1995); *Bombay and Mumbai: The City in Transition* (Oxford University Press, 2003); *Thinking Social Science in India* (Sage, 2002); and *Urban Studies* (Oxford University Press, 2006). She has been associated in various capacities with the International Sociological Association and has been its first Vice President for National Associations (2002–2006).

## **Users Review**

### **From reader reviews:**

#### **Marilyn Daniels:**

What do you in relation to book? It is not important with you? Or just adding material when you require something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. The doctor has to answer that question due to the fact just their can do this. It said that about e-book. Book is familiar on every person.
