**The Way He Makes Me Feel** By Tamara Sneed, Sekret Tamara Sneed

*Tamara Sneed burst onto the African-American fiction scene with LOVE UNDERCOVER. Now, in THE WAY HE MAKES ME FEEL, the question arises: Can a bet with a friend lead to true love?*

Duncan Hillston has a solid rep as a "player" who's always good for a story about his latest conquest. But when he's accused of being all talk and no action, Duncan bets his buddy he can get a woman to fall in love with him in no time flat. Duncan's sure he'll win, even if his buddy picks the woman-and even if the woman is Claire "Medusa" Scott.

Back in high school, Claire was no heartbreaker. Brainy and serious, she had a major crush on Duncan-but he didn't even know she was alive! Now, at thirty, Claire is making up for lost time with a prestigious job and a new look to match. When Duncan comes out of nowhere to sweep her off her feet, Claire is sure it's a dream come true...

To Duncan's surprise, Claire is sweet, sexy, and not at all what he expected. The truth is, his love-em-and-leave-em days are over, and he doesn't even care! But if Claire discovers their romance began as a bet, can their love survive-or will he lose her forever?

### Editorial Review

From [Booklist](#)

Dunston Hillston loves to talk to his buddies at the local L.A. bar about all the beautiful women he gets. Finally, his friends have had enough of his bragging and challenge him to make a conquest of their choosing. They pick Claire Scott, who, way back in high school, was the awkward, brainy, sharp-tongued nerd. Now, at 30, she is a highly respected researcher searching for a cure to ovarian cancer with little time for relationships. When Dunston comes up to her, she is tongue-tied. It turns out that Claire has had a crush for many years on the neighborhood Lothario. As Dunston gets to know her, he realizes that she is capable of reforming him. But can their relationship survive the "bet"? An appealing African American romance about unlikely love featuring winning characters and sizzling sex. *Patty Engelmann*

"One of the best books I've read this year. It has it all-wonderful characters, a page-turning plot, and a love that defies the odds."-*Romantic Times* on *Love Undercover*

"Flowing smoothly from chapter to chapter, there are no lulls in Ms. Sneed's latest. The characters interact naturally and the use of humor is a huge bonus! Sean and Logan refer to themselves as Cinderella and Prince Charming; and I loved `their' version! An excellent story!" -*Romantic Times* on *When I Fall in Love*

"AWESOME is the only word needed to describe A ROYAL VOW! This charming, romantic story is every little girl's dream come true...to fall in love with a handsome prince and live happily ever after. This story even has an evil `frog' prince and the mad palace guard to make things more interesting."-*Romantic Times* on *A Royal Vow*
