### Editorial Review

#### Review

"This book is an impressive synthesis of sound theory and best practice, accessible to the novice and yet of such depth as to be compelling to the advanced practitioner. It is an important addition to the professional library of both the aspirant to senior executive positions, and to the finance specialist. Acquire it without hesitation." --**Robert F. Bruner, Distinguished Professor of Business Administration and Executive Director of the Batten Institute, University of Virginia, Charlottesville**

"Pablo Fernandez's *Valuation Methods and Shareholder Value Creation* is an ambitious and comprehensive managerial treatment of valuation. Valuing projects and firms is critical to the work of executives, investors, bankers and others, and this book provides these decision-makers with a valuable road map through this difficult terrain." --**Peter Tufano, Sylvan C. Coleman Professor of Financial Management and Chair, Finance Area, Harvard Business School**
