Articuentos completos (Spanish Edition) By Juan José Millás García

Por fin los articuentos completos de Juan José Millás, ese género de su invención que define como «crónicas del surrealismo cotidiano dosificadas en perlas». Y con ellos llega el sobresalto y la carcajada provocados por la irrupción de lo inaudito en una realidad que conocemos bien... o eso pensábamos. Si el más exhaustivo de los archivos gastronómicos tuviera un equivalente literario, se parecería a este libro. Los articuentos resucitarán tu matrimonio, con ellos oirás el viento de tu historia personal cuando vayas a buscar hielo durante una fiesta y, al ir a dormir, mirarás de reojo tu ropa en el galán de noche, por si acaso...¿Para qué sirve un articuento? Para reavivar el lenguaje, para ensayar nuevas fórmulas entre la realidad y la ficción, para escapar del letargo, para renovar el ojo crítico, la mente abierta y larisa aparentemente fácil... Para buscar la verdad y encontrarla. Pero, sobre todo, para hacerse adicto a ese mundo paralelo que sólo el maestro Millás es capaz de vislumbrar.

«El mejor Millás: ocurrente, descabellado, familiar e inquietante. Siempre inconfundible.», J. A. MASOLIVER RÓDENAS, *Cultura/s*, *La Vanguardia*.

«Juan José Millás es, hoy por hoy, el único escritor que puede hacernos sentir como la primera vez que nos zambullimos en la Alicia de Lewis Carroll», *Cambio 16*.
