Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) By Tixa Serge

Le tome 1 est organisé en sept chapitres (cou, tronc et sacrum, épaule, bras, coude, avant-bras, poignet et main) et le tome 2 est organisé en cinq chapitres (Hanche, Cuisse, Genou, Jambe et Cheville et Pied). Ces atlas présentent de façon précise et concrète les différentes structures anatomiques : os, muscles, tendons et ligaments, nerfs et vaisseaux. Les 2 ouvrages présentent plus de 120 illustrations anatomiques en couleurs et plus de 900 photographies en noir et blanc, toutes prises en situation 'sur le vivant'. Chaque photographie, particulièrement soignée, est accompagnée d'un texte décrivant la technique d'approche (TA), qui permet au lecteur de retrouver immanquablement la structure recherchée. Chaque fois que nécessaire, les rappels anatomiques indispensables à une bonne application des techniques d'approche (insertions, actions, innervation) sont mentionnés.

Editorial Review

Users Review

From reader reviews:

Sybil Davis:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that publication has different type. Some people truly feel enjoy to spend their a chance to read a book. They can be reading whatever they have because their hobby is usually reading a book. Think about the person who don't like reading through a book? Sometime, particular person feel need book if they found difficult problem or maybe exercise. Well, probably you will want this Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition).

Robin Millard:

Nowadays reading books are more than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want feel happy read one along with theme for entertaining including comic or novel. The actual Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) is kind of publication which is giving the reader unforeseen experience.

Jamey Norton:

Many people spending their time frame by playing outside along with friends, fun activity having family or just watching TV all day every day. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book can really hard because you have to accept the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) which is keeping the e-book version. So , try out this book? Let's see.

Jamie Norman:

Many people said that they feel bored when they reading a publication. They are directly felt that when they get a half elements of the book. You can choose the book Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) to make your personal reading is interesting. Your skill of reading ability is developing when you such as reading. Try to choose easy book to make you enjoy to see it and mingle the impression about book and reading through especially. It is to be initial opinion for you to like to available a book and read it. Beside that the reserve Atlas d'Anatomie Palpatoire T 1 Plus t.2 (French Edition) can to be your new friend when you're sense alone and confuse using what must you're doing of these time.
