**Baby, I'll Find You** By Jennifer Skully, Jasmine Haynes

## BOOK DESCRIPTION

If you're a fan of contemporary romance, then step into the funny and sexy world of NY Times and USA Today bestselling author Jennifer Skully!

A man without a future, a woman determined to give him one...

Jami Baylor has lost her job, her fiancé, her hopes, and her dreams all on the same day. But she believes in fate and destiny, and after finding Colton Amory's CD in a thrift store grab bag, Jami knows it's serendipity that she's heard his song now. "Baby I'll Find You" speaks to her heart, right when she needs it most. So, off she goes to the wilds of Yosemite to discover why Colton Amory hasn't written another song in seven years.

The only problem? The man who wrote such beautiful music turns out to be a self-pitying jerk. Or so it seems, until Jami digs deeper.

Seven years ago, Cole Amory had a flourishing musical career and a little girl who was his pride and joy. In one split second, he lost it all. He hasn't written a lyric or played a note since. Buried in a small Yosemite town, he's now a fry cook at a fast-food joint. And he doesn't need a woman with stars in her eyes opening all his old wounds and guilt.

Can two people with nothing left to lose find it all?

BABY, I'LL FIND YOU is a contemporary romance of approximately 98,000 words / 385 pages. The book contains the following bonus material: Excerpts from "She's Gotta Be Mine" plus "Wives & Neighbors" and "Double the Pleasure" by her alter ego Jasmine Haynes

## **Users Review**

### **From reader reviews:**

#### **Richard Sims:**

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want feel happy read one having theme for entertaining such as comic or novel. Typically the Baby, I'll Find You is kind of guide which is giving the reader unstable experience.

#### **Juanita Jones:**

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is inside the former life are challenging be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Baby, I'll Find You as your daily resource information.

#### **Walter Son:**

Reading a book to be new life style in this 12 months; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you want to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these kinds of us novel, comics, as well as soon. The Baby, I'll Find You will give you new experience in examining a book.

**Karen Huff:**

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why so many query for the book? But any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but also novel and Baby, I'll Find You or others sources were given know-how for you. After you know how the fantastic a book, you feel need to read more and more. Science reserve was created for teacher or even students especially. Those guides are helping them to add their knowledge. In some other case, beside science publication, any other book likes Baby, I'll Find You to make your spare time far more colorful. Many types of book like this one.
