**Burn** By Sarah Fine, Walter Jury

**"Car chases, explosions and action galore—awesome."**—*Kirkus Reviews* on *Scan*

At the cliffhanger ending of *Scan*, Tate loses the very thing he was fighting to protect, what his father had called the key to human survival. Tate doesn't have much time to worry about it because he needs to get away, to ensure he and Christina are safe. His father left him one last thing that can do just that—a safe house, which turns out to be a clue to what's really threatening the planet. As Tate follows the clues his father left behind, he starts to uncover the truth, realizing he's up against an enemy he's only beginning to understand.

A riveting, fast-paced "we are not alone" adventure, *Burn* thrills to the very end.

### **Editorial Review**

### **Users Review**

#### **From reader reviews:**

##### **Peter Wilson:**

Inside other case, little people like to read book Burn. You can choose the best book if you'd prefer reading a book. So long as we know about how is important the book Burn. You can add information and of course you can around the world by a book. Absolutely right, because from book you can realize everything! From your country until eventually foreign or abroad you may be known. About simple point until wonderful thing you could know that. In this era, we can open a book or even searching by internet product. It is called e-book. You need to use it when you feel weary to go to the library. Let's examine.

##### **Vicki Escalante:**

What do you in relation to book? It is not important along with you? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need that Burn to read.

##### **Christopher Parker:**

Spent a free a chance to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they doing activity like watching television, planning to beach, or picnic within the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Could be reading a book can be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled Burn can be great book to read. May be it can be best activity to you.

##### **Keith Reese:**

In this era which is the greater particular person or who has ability to do something more are more special than other. Do you want to become considered one of it? It is just simple approach to have that. What you should do is just spending your time almost no but quite enough to experience a look at some books. Among the books in the top checklist in your reading list is usually Burn. This book that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking right up and review this guide you can get many advantages.
