### Corto Maltese: Celtic Tales By Hugo Pratt

In this third volume in the definitive English language edition of Hugo Pratt's masterpiece, the action moves from South America to Europe against the backdrop of the First World War. In these six stories Pratt further explores such complicated themes as patriotism and greed, revolution and opportunism, and betrayal and seduction.

Events take Corto from a small island in the Venetian lagoon, where he comes face to face with a beautiful blonde spy, to Stonehenge and an adventure with Merlin, Morgana, and Puck. Along the way he meets Ernest Hemingway and future billionaire Aristotle Onassis, Irish revolutionary Banshee O'Danann, the legendary Red Baron, and an intense cast of characters who weave in and out of a series of labyrinthine plots and counter-plots.

### Editorial Review

From Publishers Weekly

In this latest escapade featuring Corto Maltese ( *The Early Years* ), we find the sailor and gentleman of fortune in Asia. It is 1919, Russia is in the throes of revolution, the czarist army in retreat. Imperial China is in ruins, shattered into a horde of private kingdoms ruled by warlords. From Manchuria, Japanese, English and American forces manipulate what's left of the republic to satisfy their own conflicting interests.

Acclaimed European cartoonist Pratt sends his celebrated creation Corto Maltese into this political caldron in search of adventure, love and an armored train loaded with czarist gold. Corto and his demented, mercurial ally, Rasputin, find themselves confronting one of the most lunatic generals of the White Army. The black-and-white drawings in this tremendously entertaining strip are historically based and beautifully delineated, expressive yet precise. One of the world's great adventure strips.

### Review

"Far more than any teacher I ever had, Hugo Pratt taught me to love and combine history, mystery, and the arts.... *Corto Maltese* is one of the greatest comics ever created, and you can jump on board with any volume in the series." —JT Lindroos, bookgasm

### About the Author

**Hugo Pratt** (1927-1995) is considered one of the great graphic novelists in the history of the medium. His strips, graphic works, and watercolors have been exhibited at the Grand Palais in Paris and the Vittoriano in Rome, and a landmark show in 2011 at the Pinacothèque in Paris drew 215,000 visitors, hailing Pratt as "the inventor of the literary comic strip."
