Describing Morphosyntax: A Guide for Field Linguists By Thomas E. Payne

This book is a guide for linguistic fieldworkers who wish to write a description of the morphology and syntax of one of the world's many underdocumented languages. It offers readers who work through it one possible outline for a grammatical description, with many questions designed to help them address the key topics. Appendices offer guidance on text and elicited data, and on sample reference grammars that readers might wish to consult. This will be a valuable resource to anyone engaged in linguistic fieldwork.

Editorial Review

Review

"...a comprehensive field researcher's guide to the description of undocumented & near extinct languages." T. Rosenberg, LLBA

"I would rate this book highly as an important part of a practical strategy for writing the description of the morphosyntax of a field language." Austin Hale, Notes on Linguistics

"...Describing Morphosyntax is an excellent guide not only for field linguists but also for all linguists who are interested in fascinating aspects of grammar." Word

Users Review

From reader reviews:

Avis Zeiger:

What do you concerning book? It is not important along? Or just adding material if you want something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everybody has many questions above. They must answer that question since just their can do in which. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this kind of Describing Morphosyntax: A Guide for Field Linguists to read.

Kevin Ostby:

Information is provisions for folks to get better life, information nowadays can get by anyone from everywhere. The information can be a information or any news even a problem. What people must be consider while those information which is in the former life are hard to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Describing Morphosyntax: A Guide for Field Linguists as the daily resource information.

David Briggs:

Reading a e-book tends to be new life style on this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Having book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to

improve their skill in writing, they also doing some analysis before they write to the book. One of them is this Describing Morphosyntax: A Guide for Field Linguists.

Rodney Bell:

Many people spending their time period by playing outside using friends, fun activity using family or just watching TV the entire day.
