## Destinae By Roy H. Williams

Three books containing the epic story of a lawyer named Intellect and a beagle named Intuition on the road to self-discovery.

What will they find?

Millions will read it as a children's story and enjoy it immensely, but the sophisticated reader will see complexities revealed beyond their wildest expectations - including many subtleties of business, science, and religion.

The interchaptoral comments serve as "keys" to unlock the hidden mysteries contained in each amazing chapter. Also included are verbatim transcripts of lengthy discussions about each of the 3 books, involving a total of 11 leading experts in their fields.

The author's recommendation is that you experience the story first in it's pure form - listen to the audio CDs or read all 3 parts of the basic story. Then you explore the expert discussions to embark on a journey you'll never forget.

Welcome to Destinae.
