Nasty Galaxy By Sophia Amoruso

From Sophia Amoruso, the *New York Times*—bestselling author of #GIRLBOSS, a lushly illustrated embodiment of the collective spirit of the Nasty Gal brand, Sophia's own personal brand, and girlbosses everywhere, with a foreword by Courtney Love. Warning: this is not a style book. It's not about how to mix prints—it's about how to leave yours on everything you touch.

Highly graphic and visual, filled with illustrations, photos and short essays, *Nasty Galaxy* is part scrapbook, part inspo-journey, with moments of frivolity scattered throughout. Tactical and entertaining, envelope-pushing and conventional, surprising and refreshingly straightforward, *Nasty Galaxy* is a dive into Sophia's philosophies on work, relationships, balance, friendships, and more. It is a celebration of her roots in vintage clothing, punk attitude, fringe characters, and don't-give-a-fuck thought leadership.

Nasty Galaxy is Amoruso's newest life bible, approaching style, music, philosophy, and advice in the same way #GIRLBOSS approached business—unconventionally. Oversized and in full color, this is the newest, coolest, must-have accessory.
