Editorial Review

From [Booklist](#)

Starred Review Crichton, who died in 2008, was known primarily for such high-tech thrillers as *Jurassic Park* and *The Andromeda Strain*. This new novel, found in manuscript form among his papers, will come as a bit of a surprise to many of his fans. It is, of all things, a pirate novel. Set in 1665, it tells the story of Captain Charles Hunter, a privateer who's hired by the governor of Jamaica's Port Royal to steal a Spanish galleon and its cargo of gold treasure. Don't expect to see Jack Sparrow in this story of pirates of the Caribbean, though: Crichton doesn't play his pirates for laughs. And this is no typical pirate adventure, either: it's actually a caper novel posing as a high-seas adventure. All the key caper-novel elements are here: the target, the mastermind, the plan, the motley crew, the ruthless villain, the gadgets, the twist, and the turncoat. Crichton keeps us in a constant state of suspense, never revealing quite what his hero, Captain Hunter, has up his sleeve, and the novel ends most unexpectedly. Pirate fans will love the book for its flashy characters and historical authenticity. Crime fans will enjoy the caper-novel structure and the way the author keeps them on their toes. If this really is Crichton's final book, it's a splendid send-off: something new, different, and daring. --David Pitt

Review

“Unabashed fun.” (Cameron Martin, *New York Times*)

“Offers unexpected turns and plenty of yo ho ho’s.” (Richard Eisenberg, *People* (3 out of 4 stars))

“It’s not an ironic pirate novel. It’s not a pirate novel with a secret gimmick. It’s simply an entertaining tale filled with crafty privateers, despicable villains, treasure hoards, double crosses and a sea monster. Go figure.” (Michael Berry, *San Francisco Chronicle*)

“A lusty, rollicking 17th century adventure.... History as entertainment.... Crichton has done his homework.” (Bob Minzesheimer, *USA Today*)

“The plot sucks you in like the giant kraken monster that nearly sinks our hero’s galleon.” (Benjamin Svetsky, *Entertainment Weekly*)

From the Back Cover

“A lusty, rollicking seventeenth-century adventure. . . .History as entertainment.”—*USA Today*

The Caribbean, 1665. A remote colony of the English Crown, the island of Jamaica holds out against the vast supremacy of the Spanish empire. Port Royal, its capital, is a cutthroat town of taverns, grog shops, and bawdy houses. In this steamy climate there's a living to be made, a living that can end swiftly by disease—or by dagger. For Captain Charles Hunter, gold in Spanish hands is gold for the taking, and the law of the land rests with those ruthless enough to make it.

Pirate Latitudes is Michael Crichton at his best: a rollicking adventure tale pulsing with relentless action, crackling atmosphere, and heart-pounding suspense.

“Crichton’s great talent was writing books that were virtually impossible to put down. . . . Pirate Latitudes is no exception.”—*Entertainment Weekly*

“Crichton’s ultimate adventure.”—*San Francisco Chronicle*

Users Review

From reader reviews:

Jennie Groth:

The book *Pirate Latitudes* can give more knowledge and also the precise product information about everything you want. So why must we leave the best thing like a book *Pirate Latitudes*? A few of you have a different opinion about e-book. But one aim this book can give many facts for us. It is absolutely right. Right now, try to closer with the book. Knowledge or data that you take for that, you could give for each other; you could share all of these. Book *Pirate Latitudes* has simple shape however you know: it has great and massive function for you. You can look the enormous world by available and read a book. So it is very wonderful.

Everett Dean:

Precisely why? Because this *Pirate Latitudes* is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who also write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book have got such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Suanne Barnwell:

The book *untitled Pirate Latitudes* contain a lot of information on that. The writer explains the woman idea with easy means. The language is very clear to see all the people, so do not really worry, you can easy to read this. The book was compiled by famous author. The author will bring you in the new era of literary works.
