**The 100 (The 100 Series)** By Kass Morgan

**The first book in the *New York Times* bestselling series that inspired the hit CW television show.**

*No one has set foot on Earth in centuries -- until now.*

Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission.

CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth.

Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope.

## Editorial Review

From [Booklist](#)

Dark and riveting, Morgan's entry in the very popular dystopian, postapocalyptic YA subgenre blends science fiction, romance, and characters' shadow sides with a mostly engrossing plotline. In a future lived on spaceships, long after the earth's destruction, teenage delinquents are usually sentenced to die for their transgressions. Then 100 of them, who are deemed disposable guinea pigs, are instead sent to the ravaged earth in order to see if it is habitable for humans. Clarke, Wells, Bellamy, and Glass are the four narrators, through whose voices the story line sometimes glides and sometimes bumps along. The differing perspectives shed much light on the otherwise lightly drawn world setting, but it can sometimes be hard to leave one character for the next. Regardless, Morgan's debut clips along at an easy pace because of its simple yet direct writing style. A mash-up of *The Lord of the Flies*, *Across the Universe*, and *The Hunger Games* this has already been tapped by the CW network for television production. It should appeal to fans of postapocalyptic novels seeking the next potentially big new thing. Grades 9-12. --Julie Trevelyan

### Review

"It's easy to be drawn in by the *Lord of the Flies*-style tension that builds as the teens struggle to set up a new society on a battered Earth, and by the smoldering romances that hang in the balance." *Publishers Weekly*

"Dark and riveting...A mash-up of *The Lord of the Flies*, *Across the Universe*, and *The Hunger Games*." *Booklist*

"A mash-up of the hit TV reality show *Survivor* and traditional science fiction...Morgan's weave of pop-culture elements and politics make for a gripping read." *School Library Journal*

"Likely to be a hit with readers who want their *Pretty Little Liars* mixed with *Lord of the Flies*." *The Bulletin*

### About the Author

Kass Morgan is the author of *The 100* series, which is now a television show on the CW. She received a bachelor's degree from Brown University and a master's degree from Oxford University. She currently works as an editor and lives in Brooklyn, New York.

## Users Review

### From reader reviews:

#### Kimberly Pratt:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each publication has different aim or even goal; it means that guide has different type. Some people truly feel enjoy to spend their time for you to read a book. They are really reading whatever they consider because their hobby is usually reading a book. What about the person who don't like looking at a book? Sometime, individual feel need book once they found difficult problem or perhaps exercise. Well, probably you should have this *The 100 (The 100 Series)*.

**Jenifer Bell:**

The book The 100 (The 100 Series) can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book The 100 (The 100 Series)? Wide variety you have a different opinion about publication. But one aim in which book can give many data for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or info that you take for that, you may give for each other; you are able to share all of these. Book The 100 (The 100 Series) has simple shape but you know: it has great and big function for you. You can appearance the enormous world by open and read a reserve. So it is very wonderful.

**Darron Hiller:**
