He is a past vice president of the Louisiana Outdoor Writers Association and the author of The Chefs of RodnReel.com, published by Pelican. Lane resides in New Orleans, Louisiana.

Duane Raver has an extensive background as a fisheries biologist and artist. He is the recipient of the North Carolina Governor's Conservation Achievement Award and was elected to the North Carolina Wildlife Federation's Conservation Hall of Fame. Raver lives in Garner, North Carolina.

From the Back Cover

This book is a given for recreational and commercial fishermen as well as anyone who loves the outdoors! Since most anglers identify their fish by reviewing illustrations rather than using scientific keys, the authors have succeeded in making fishing easier by providing superb illustrations and detailed diagnostics for fish identification.

This valuable, one-stop reference tool for everyday anglers, fisheries experts, biologists, and outdoors writers includes:

• Intensively researched information on 207 species of saltwater fish

• Essential data on each species' habitat, identification, typical size, and food value

• Conversational language for easy reading
