Big Sur By Jack Kerouac

A poignant masterpiece of wrenching personal expression from the author of *On the Road* and *The Dharma Bums*

In this 1962 novel, Kerouac's alter ego Jack Duluoz, overwhelmed by success and excess, gravitates back and forth between wild binges in San Francisco and an isolated cabin on the California coast where he attempts to renew his spirit and clear his head of madness and alcohol. Only nature seems to restore him to a sense of balance. In the words of Allen Ginsberg, *Big Sur* "reveals consciousness in all its syntactic elaboration, detailing the luminous emptiness of his own paranoiac confusion."

Editorial Review

Review

"In many ways, particularly in the lyrical immediacy that is his distinctive glory, this is Kerouac's best book . . . certainly, he has never displayed more 'gentle sweetness.'"

--*San Francisco Chronicle*

"Kerouac's grittiest novel to date and the one which will be read with most respect by those skeptical of all the Beat business in the first place."

--*The New York Times Book Review*

"*Big Sur* is so devastatingly honest and painful and yet so beautifully written....He was sharing his pain and suffering with the reader in the same way Dostoyevsky did, with the idea of salvation through suffering."

--**David Amram**

About the Author

Jack Kerouac(1922-1969), the central figure of the Beat Generation, was born in Lowell, Massachusetts, in 1922 and died in St. Petersburg, Florida, in 1969. Among his many novels are **On the Road, The Dharma Bums, Big Sur, and Visions of Cody**.

From [AudioFile](#)

This autobiographical novel continues the adventures of the (older but certainly not mellower) wandering beatnik from **ON THE ROAD**. For a narrator it contains extraordinary difficulties, for the writing flies off into inebriated, overly long sentences that reflect, describe or just babble forward in a kind of free association. To keep such passages flowing while making sense out of them is no mean feat. Tom Parker pulls it off, erring only infrequently in his interpretation. He even manages to sound as if he were enjoying himself. The production is clean but tinny, possibly dampening the pleasure of home listeners, but hardly bothering drivers listening over traffic noise. Y.R. (c) AudioFile, Portland, Maine

Users Review

From reader reviews:

Lisa Potter:

Information is provisions for folks to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is inside the former life are hard to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you find the unstable resource then you buy it as your main information you will have huge disadvantage for you. All of those possibilities will not happen within you if you take *Big Sur* as the daily resource information.

Dora Champagne:

This book untitled *Big Sur* to be one of several books that best seller in this year, here is because when you read this guide you can get a lot of benefit upon it. You will easily to buy this particular book in the book

retail store or you can order it by way of online. The publisher on this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smartphone. So there is no reason to you to past this publication from your list.

Robert Lee:

That reserve can make you to feel relax. That book Big Sur was multi-colored and of course has pictures on there. As we know that book Big Sur has many kinds or category. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book tend to be make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading this.

William Levitt:

What is your hobby? Have you heard that will question when you got scholars? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as reading through become their hobby. You should know that reading is very important and also book as to be the point. Book is important thing to include you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. Amount types of books that can you go onto be your object. One of them is this Big Sur.
