### **Fine Things** By Danielle Steel

Smart, likable, Bernie Fine was the wonder boy of Wolff's, New York's most glamorous department store. A senior VP moving up, he arrives in San Francisco to open a West Coast store. His career is skyrocketing, but his life is lacking a center. When he looks into the wide, innocent eyes of five-year-old Jane O'Reilly, and then into the equally enchanting eyes of her mother, Liz, Bernie knows he has found what he has been looking for. Bernie thought he had found love to last a lifetime, but when Liz is stricken with cancer shortly after the birth of their first child, time becomes painfully short. Alone with two children, Bernie must face the loss and learn how to move on. New people, new experiences, a new life alone with two kids. He meets it with courage and humor, and learns some of life's hard but precious lessons as he does.

## **Editorial Review**

From Library Journal

Bernard Fine is happy with his life. In his early 30s, he has just been made senior vice-president of Wolff's Department Store in his hometown of New York. He is not pleased, therefore, when he is sent to California to open up a posh new Wolff's in San Francisco. His luck changes, though, when he falls in love with an enchanting five-year-old named Jane, and with her mother, Liz O'Reilly. Jane adores strong, sensitive Bernie and all three are blissfully happy until tragedy strikes the Fine family. In short, this is a story about the power of love and the unity of family to surmount grief and misfortune. The narrative moves slowly in parts and the dialogue is somewhat trite, but the characters are likeable and the story entertaining. Sure to be in demand by Steel fans. Literary Guild and Doubleday Book Club main selections. Maria A. Perez-Stable, Western Michigan University Libraries, Kalamazoo
