Riley on Business Interruption Insurance By David Cloughton

This complete reference work presents a comprehensive and practical examination of business interruption and consequential loss insurance and claims, with the emphasis on practice and procedure. The book examines several types of cover, and gives detailed guidance on over 200 charges in company accounts. It also considers more than 30 other perils and contingencies besides fire, including labour disturbances, strikes and riots. * Comparative UK-US commentary makes it invaluable to international players in the field * Can be picked up and used by lawyers worldwide where, for instance, insurance claims are processed * Focuses on the wordings of policies in the UK and US but also looks at Asia, Africa, the Americas and Australasia * Quick, accessible reference guide supplying practical answers to practical problems

Editorial Review

Review

The comprehensiveness of this book is much to be admired... [it] should be compulsory reading for all those involved in business interruption insurance. This is an international guide and is almost certainly the most complete work of reference in its field. The author has a wealth of experience in international business interruption insurance which shines through the book....the reader would be hard pressed to find any gaps in this author's coverage. Construction & Engineering Law.

Users Review

From reader reviews:

Sandra Hughes:
