Editorial Review

About the Author

Saint Francis of Assisi (Giovanni Francesco Bernardone; born 1181/1182 - October 3, 1226) was a Catholic deacon and the founder of the Order of Friars Minor, more commonly known as the Franciscans. He is known as the patron saint of animals, the environment and Italy, and it is customary for Catholic churches to hold ceremonies honoring animals around his feast day of 4 October. In 1201, he joined a military expedition against Perugia, he was taken as a prisoner at Collestrada, and spent a year as a captive. It is probable that his conversion to more serious thoughts was a gradual process relating to this experience. Upon his return to Assisi in 1203, Francis returned to his carefree life and in 1204, a serious illness led to a spiritual crisis. In 1205 Francis left for Puglia to enlist in the army of the Count of Brienne. In Spoleto, a strange vision made him return to Assisi, deepening his ecclesiastical awakening. St Francis of Assisi celebrated Christmas by setting up the first known three-dimensional presepio or crèche (Nativity scene) in the town of Greccio near Assisi, around 1220. He used real animals to create a living scene so that the worshipers could contemplate the birth of the child Jesus in a direct way, making use of the senses, especially sight. Thomas of Celano, a biographer of Francis and Saint Bonaventure both tell how he only used a straw-filled manger (feeding trough) set between a real ox and donkey. According to Thomas, it was beautiful in its simplicity with the manger acting as the altar for the Christmas Mass. Saint Francis is considered the first Italian poet by literary critics. He believed commoners should be able to pray to God in their own language, and he wrote always in the dialect of Umbria instead of Latin. His writings are considered to have great literary value, as well as religious.

Users Review

From reader reviews:

Jack Crawford:

Information is provisions for folks to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is in the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take The Complete Writings of St. Francis of Assisi as your daily resource information.

Victor Elam:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This The Complete Writings of St. Francis of Assisi can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

James Robicheaux:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Complete Writings of St. Francis of Assisi can make you really feel more interested to read.

Jerry Bonner:

What is your hobby? Have you heard that question when you got learners? We believe that that problem was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And also you know that little person like reading or as reading become their hobby. You have to know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You discover good news or update about something by book. Different categories of books that can you choose to use be your object. One of them are these claims The Complete Writings of St. Francis of Assisi.
