### You've Already Got It! (So Quit Trying To Get It) By Andrew Wommack

Have you ever thought, *I'm doing everything I know to do, what's wrong with me? What's it going to take to get God to move on my behalf?* If you have, you're not alone. It's a question most Christians ask and yet remain frustrated with the answers they receive.

The answer usually goes something like this: If you will pray a little longer and with more sincerity, spend more time fasting, read a few more chapters in the Bible every day, and quit wasting time in front of the television, then God will answer your prayers. He's just waiting for you to shape up.

In other words, your performance is the problem. The fact is, that couldn't be further from the truth. You've Already Got It! is a book filled with the good news that God's response isn't based on the things **you must do**; it's based on **what Jesus did**. As you read, you'll gain the knowledge to trust God. It's only the truth you know that will set you free!
