Editorial Review

Review

"Numerous illustrations and a marriage law chronology enliven the text, and the bibliography is notable for its bounty of nineteenth-century source material. Phegley's lucid discussion of the Victorian marriage market does indeed illustrate the consistent rhetorical focus on the companionate ideal, despite the plethora of ways in which Victorians sought partnership." - **Victorian Periodicals Review**

About the Author

Jennifer Phegley is professor of English at the University of Missouri, Kansas City, MO.

Users Review

From reader reviews:

Barbara Shephard:

What do you ponder on book? It is just for students because they are still students or this for all people in the world, the actual best subject for that?
