### Design Basics Index By Jim Krause

Design Basics Index is full of inspiration for those working in the graphics industry, or those seeking to find a way in. The book guides the reader through a progression of visual and conceptual theories to samples and exercises that will stretch the designer's imagination and creativity. Also included is a section of advice and strategies for gaining agency and freelance work in graphic design, one of the most popular and difficult industries to break into. The Index series has become successful and popular for its hard-working approach and its vigorous and inspiring exercises.
