### **Editorial Review**

#### **Review**

'This resource is a must-have for every youth worker... One of the best features is the ability to edit the Talksheets, enabling the users to delete a question they don't want or add something specific to their group. The program is very user-friendly, so even those who are computer illiterate should find it easy to use. It's well worth the cost, a resource you'll find yourself coming back to week after week.' (*YouthWorker Journal*)
