### Pure Filth By Peter Sotos

Jamie Gillis appeared in over one hundred films, and as such was a primary performer in pornography's "Golden Age." Gillis is also known for inventing the "Gonzo" genre of pornography, played out in the film *Boogie Nights* by Burt Reynolds' character.

*Pure Filth* appears as transcripts from the films Jamie produced during these early years of radical and highly personal pornography. Completed just before his death in February 2010, Gillis contributed an introduction to each transcript to shed light on his ideas and plans, as well as anecdotal details and personal commentary. The book has more to do with an artist's understanding of sex than the mere views of a flesh peddler. The careful language and brutal intelligence that Jamie brought to interviews are what separates the conversations from any other work that might have more academic or prurient pretensions.

Extreme novelist **Peter Sotos**, perhaps better known and appreciated in France and the United Kingdom than his home country, was a good friend of Jamie Gillis, and Sotos' unusual perspective makes this volume possible.

### Editorial Review

#### Review

"This is deadly serious stuff. It's the kind of thing that if you read it and it gives you an erection, you may want to seek out a psychologist." -Doug Brunell, The Written Word is a Lie

#### About the Author

Peter Sotos became interested in Jamie Gillis' "private tapes" after being told of their limited existence by an old troll in a porn shop that specialized in under-the-counter sales. Thinking that the films Jamie was releasing were far more intriguing than sex acts performed by low level prostitutes, Sotos started transcribing the conversations that took place between filmmaker and performer. It is his contention that the work is more about the insulting elasticity of respect than it is an obscene record of hookers pushed to their mental, rather than purely physical, limits.

Jamie Gillis is known as one of the first male "superstars" of pornography. He started his career in NY during the early basement years and lasted through the Times Square and LA glitz booms, eventually creating the gonzo ("reality porn") genre. He was one of the very few actors capable of introspectively writing about his career, tastes and experiences during his lifetime, and most of it pre-internet. In Pure Filth, Jamie explains that his interest in what sex really is came from his greater desire for "exploration and exposure of the sexual imagination in all its variety".

### Users Review

#### From reader reviews:

##### John McCraw:

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite guide and reading a book. Beside you can solve your condition; you can add your knowledge by the guide entitled Pure Filth. Try to make book Pure Filth as your close friend. It means that it can to get your friend when you experience alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you a lot more confidence because you can know every thing by the book. So , we need to make new experience and knowledge with this book.

##### Steven Simon:

Book is to be different for every single grade. Book for children until finally adult are different content. We all know that that book is very important usually. The book Pure Filth seemed to be making you to know about other information and of course you can take more information. It is rather advantages for you. The guide Pure Filth is not only giving you much more new information but also to be your friend when you truly feel bored. You can spend your current spend time to read your publication. Try to make relationship using the book Pure Filth. You never experience lose out for everything should you read some books.

**Terry Hollis:**

Do you among people who can't read gratifying if the sentence chained inside straightway, hold on guys this kind of aren't like that. This Pure Filth book is readable by you who hate the straight word style. You will find the information here are arrange for enjoyable reading experience without leaving perhaps decrease the knowledge that want to supply to you. The writer regarding Pure Filth content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the written content but it just different as it. So , do you even now thinking Pure Filth is not loveable to be your top checklist reading book?

**Georgia Cunningham:**

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. Together with book everyone in this world can share their idea. Guides can also inspire a lot of people. Plenty of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Pure Filth.
