**The Bible In World History (Illustrated Bible Handbook Series)** By Dr. Stephen Leston, Christopher D. Hudson

What was happening outside Bible lands during the time of the patriarchs, Jewish kingdoms, the prophets, Jesus ministry, and the early church? Find out with The Bible in World History. This brand-new, fully illustrated reference breaks biblical and early church history into eight major time periods from Creation to the Tower of Babel through Anno Domini, the years from Jesus birth to about AD 330 and shows what was happening in other parts of the world during those times. With references to Chinese, Indian, African, and Mayan cultures, among others, The Bible in World History helps average readers not scholars to see how history and scripture intersect.

### **Editorial Review**

#### **Review**

Expansive. Illuminating. Colourful. With clear diagrams, pictures, and photos strategically placed throughout, this book is a pleasure to behold. Unlike some encyclopedias, dictionaries, atlases, or similar survey of biblical history, this book packs a wallop without becoming too bulky to carry. Convenient to carry around, the reader will be captivated by the beautiful illustrations, and the clear point by point explanation of the Bible in history. The author's main purpose is to understand world history through the Bible. --Conrade Yap *Book Saint* 2011-10-29

Believers who are also history buffs will appreciate this side-by-side presentation of biblical and world events. Although pastor Leston is not a history professor, he clearly outlines how Scripture is historically grounded and impacts world culture. --JAW *Church Libraries* 2012-03-19

From its beautiful paper to its color photographs and illustrations to its detailed maps and timelines, this book is a gem. --AMB *Church Libraries* 2012-04-16
