## The Year of Living like Jesus: My Journey of Discovering What Jesus Would Really Do By Edward G. Dobson

“It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned- you will quickly discover that Ed's adventure takes him, and us, deep into the heart of grace, mercy and the endless discovery of just what the way of Jesus looks like - which, of course, has very little to do with having a beard.”—Rob Bell, *Jesus Wants To Save Christians*

“Inspiring, insightful, sometimes infuriating, often funny, a little weird (like its author) and a must read for anyone wanting to become a serious follower of Jesus Christ”—Cal Thomas

“Highly, highly recommended” —Brian McLaren

Evangelical pastor Ed Dobson had a radical idea...

“Live one year as Jesus lived. Eat as Jesus ate. Pray as Jesus prayed. Observe the sabbath as Jesus observed. Attend the Jewish festivals as Jesus attended. Read the Gospels every week.”

Dobson’s transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers, and deepens his understanding of suffering.

Living like Jesus is quite different from what we imagine.

### Editorial Review

From Publishers Weekly

Inspired by A.J. Jacobs's *The Year of Living Biblically*, evangelical pastor and author Dobson (*The Jesus Study Bible*) devotes a year to emulating Jesus' life and teaching. His initial commitment to keep kosher, observe Jewish holy days, not shave and read the four gospels weekly expands into an exploration of Judeo-Christian devotional practices. Seeking teachers from several religious traditions, Dobson incorporates Jewish prayers, the Catholic rosary, Orthodox prayer rope and Episcopal prayer beads into his daily devotional life. The book's form morphs from a somewhat choppy daily log into a series of thoughtful reflections on traditions he engages and gospel stories whose messages Dobson aspires to live. Weaving in tales of his fundamentalist roots, work with Jerry Falwell and long-term pastorate, Dobson reflects on the evolution of his religious consciousness: while maintaining a devout prolife stand, he votes for Barack Obama. With dignity and humor, the author addresses his personal struggle with ALS, seeking to model a prayerful response to his degenerative illness on Jesus' approach to suffering and healing. Dobson's strong faith, open mind, humility (I'm a confused individual!) and compassion infuse this offering from a self-proclaimed follower of Jesus. (Oct.)

**Keith Lugo:**

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Year of Living like Jesus: My Journey of Discovering What Jesus Would Really Do can make you experience more interested to read.
