Valuation for Mergers and Acquisitions (2nd Edition) By Barbara Petitt, Kenneth Ferris

Master the latest insights, lessons, and best practice techniques for accurately valuing companies for potential mergers, acquisitions, and restructurings. Concise, realistic, and easy to use, *Valuation for Mergers and Acquisitions, Second Edition* has been fully updated to reflect the field's latest and most useful "rules of thumb," compare every modern approach to valuation, offering practical solutions for today's most complex and important valuation challenges. Treating valuation as both an art and a science, it covers the entire process, offering up-to-the-minute real-world advice, examples, and case studies. Leading valuation experts Kenneth R. Ferris and Barbara S. Petitt introduce and compare leading techniques including discounted cash flow analysis, earnings multiples analysis, adjusted present value analysis, economic value analysis, and real option analysis. They fully address related concerns such as the accounting structure of deals, accounting for goodwill, tax considerations, and more. Throughout, they identify common errors that lead to inaccurate valuation, and show how to avoid them. From start to finish, this guide doesn't just make valuation comprehensible: it provides the tools and insight to make valuation *work*.

For all financial professionals concerned with valuation, especially those involved in potential mergers, acquisitions, and restructurings; and for corporate finance instructors and students in Executive MBA programs concerned with valuation.

Editorial Review

About the Author

KENNETH R. FERRIS, (Tempe, Arizona) a valuation and acquisition consultant to small and mid-cap companies in Central America, served on the faculty at Northwestern's Kellogg School of Management; SMU's Cox School of Business; Thunderbird School of Global Management; Drucker School of Business at Claremont Graduate School, and Arizona State's W.P. Carey School of Business. He was a director for three NYSE-listed firms.

BARBARA S. PETITT, (Bournemouth, UK), visiting Assoc. Prof. of Finance at Thunderbird, specializes in corporate finance, valuation, mergers, acquisitions, and restructurings. She has consulted with corporate clients throughout Europe and North America.

Users Review

From reader reviews:

Kenneth Leishman:

The e-book with title Valuation for Mergers and Acquisitions (2nd Edition) has lot of information that you can learn it. You can get a lot of profit after read this book. This specific book exist new know-how the information that exist in this book represented the condition of the world now. That is important to yo7u to be aware of how the improvement of the world. This kind of book will bring you with new era of the the positive effect. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

John Kirk:

Your reading sixth sense will not betray you actually, why because this Valuation for Mergers and Acquisitions (2nd Edition) publication written by well-known writer who really knows well how to make book that could be understand by anyone who else read the book. Written inside good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still skepticism Valuation for Mergers and Acquisitions (2nd Edition) as good book not merely by the cover but also from the content. This is one publication that can break don't determine book by its include, so do you still needing another sixth sense to pick that!? Oh come on your examining sixth sense already said so why you have to listening to yet another sixth sense.

Rachel Morris:

This Valuation for Mergers and Acquisitions (2nd Edition) is brand new way for you who has curiosity to look for some information as it relief your hunger associated with. Getting deeper you in it getting knowledge more you know or you who still having little bit of digest in reading this Valuation for Mergers and Acquisitions (2nd Edition) can be the light food for yourself because the information inside this

particular book is easy to get simply by anyone. These books produce itself in the form which can be reachable by anyone, that's why I mean in the e-book type. People who think that in guide form make them feel sleepy even dizzy this guide is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss that! Just read this e-book sort for your better life along with knowledge.

Marilynn Johnson:

As a university student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Valuation for Mergers and Acquisitions (2nd Edition) can make you feel more interested to read.
