**What do you do without
your best friend?**

Jamie isn't afraid of anything. Always ready to get into trouble, then right back out of it, he's a fun and exasperating best friend.

But when something terrible happens to Jamie, his best friend has to face the tragedy alone. Without Jamie, there are so many impossible questions to answer -- how can your best friend be gone forever? How can some things, like playing games in the sun or the taste of the blackberries that Jamie loved, go on without him?

Review

"The sensitivity with which the attendant sorrow and guilt are treated makes this an outstanding book. It blazed the way for the many other grief books that quickly followed, but few have approached the place of honor this one holds." Jim Trelease, *The Read-Aloud Handbook*, Sixth Edition, 2006

"Smith deals honestly and emphatically with the range of emotions... the story is not, however, an elegy; but a celebration of the continuity of the life-death cycle." *The Atlanta Journal*, 1973, Cynthia Westway

"It will be difficult to find a children's book this autumn by a new author as good as Doris Buchanan Smith's *A Taste of Blackberries*." *Times Literary Supplement*, 1975, David Rees

"Rightfully viewed, along with Katherine Paterson's *Bridge to Terabithia*, 1977, as one of the seminal children's books on the subject of death." *School Library Journal*, Ann Welton, 2002

"An honest, touching story." -- *ALA Booklist*
