### Editorial Review

#### Review

Battles Of The Bible presents a comprehensive survey of the wars of ancient Israel. The Bible's military accounts (told in vivid detail) cover a vast period, from the invasion of Canaan by the Israelites under Joshua's command, through the conquest of the kingdom by David and Solomon, and the split of the kingdom into Judah and Israel, to the Maccabees' successful rebellion against Seleucid domination. The reliability of these accounts is supported by their technical accuracy and by descriptions of topographic conditions peculiar to specific battlefields. They bear comparison with military campaigns well after the biblical era, and provide strategic and tactical lessons of value even today. Battles Of The Bible is a fascinating and valuable work, not only for its exacting scrutiny of biblical accounts, but also for its insight into their wider and continuing relevance. Battles Of The Bible is an important contribution to Old Testament studies, biblical archaeology, and military history. -- *Midwest Book Review*

#### About the Author

Chaim Herzog, a former president of Israel, was also the author of *The Arab-Israeli Wars* and an expert on the history of the Holy Land. Mordechai Gichon is a military historian and has held major academic positions at Tel Aviv University.

### Users Review

#### From reader reviews:

##### Deanna Stewart:
