## Dark Summer By Iris Johansen

Devon Brady is a devoted veterinarian working in a makeshift hospital on a remote search and rescue mission. When a man arrives with his wounded black Lab named Ned, Devon has no idea that she's about to be plunged into a whirlwind of terror and destruction...

Jude Marrock is out for revenge?and he has no choice but to involve Devon in a high-stakes cat-and-mouse game with an escalating body count. She doesn't trust Jude one bit... but when the shots start flying and friends start falling, Devon finds herself with nowhere else to run. And there are innocent lives, both human and animal, at stake, including Ned and his mysterious pack. Is Jude her salvation or her damnation? Are the secrets he's protecting worth killing for?or dying for?

With a lightning-fast pace, unforgettable characters, and gut-wrenching action, *Dark Summer* is compelling new terrain for master storyteller Iris Johansen.

## Editorial Review

From Publishers Weekly

Usually adept at fusing well-developed characters with edge-of-your-seat action and adventure, bestseller Johansen (*Pandora's Daughter*) stumbles in this novel of romantic suspense revolving around a tumultuous relationship. Veterinarian Devon Brady and enigmatic former navy SEAL Jude Marrok meet on a small Caribbean island recently devastated by an earthquake. When a sniper shoots Marrok's rescue dog, Ned, while searching for survivors in the rubble of a village, Marrok orders Brady to treat the black Lab, then promptly disappears. In a note he leaves for Brady, he promises to pick up Ned from her later. Soon after returning to her home on the outskirts of Denver with Ned, Brady finds herself a target in a deadly conflict involving international intelligence agents, ruthless billionaire entrepreneurs and Native American shamanism. An unnecessarily convoluted and at times unbelievable plot builds to a predictable conclusion. 650,000 first printing. (Oct.)

Dogs with miraculous healing abilities are at the heart of a volatile and complicated battle for power in which Dr. Devon Brady, a deeply principled veterinarian, becomes emotionally and physically attracted to a man who gives her every reason to distrust him. While working a disaster relief mission on an earthquake-ravaged Caribbean island, Devon is enlisted to save the life of Ned, a superbly sensitive search-and-rescue dog wounded in action. The bullet that nearly killed Ned did not come from the gun of a rampaging looter, as Devon first suspects, but rather from a sniper hired to destroy Ned and his handler, the inscrutable and disturbingly charismatic Jude Marrok. When Jude leaves Ned in Devon's care, he knowingly places her life in jeopardy by making her both a target for the man who has spent his life hunting Jude and his uniquely gifted dogs, and a pawn to be used to draw Jude into a lethal trap. Though readers must wade in confusion through nearly half the book before they can fully understand the basic premise behind this unusual conflict, once the motivation is made clear, Johansen's knack for delivering robust action and commanding characters kicks into high gear. --Carol Haggas

Review

"Johansen keeps readers on the edge of their seats." ?*Booklist*

"A uniquely gripping tale ... In a Johansen novel, the action is always intense and the stakes high, but the emotional temperature of this story makes it a blockbuster. It's one of her best." ?*RT Book Reviews (Top Pick! and 2008 Suspense / Thriller Award Winner)*
