DRAGON LADY The Evil History of China's Last Empress (THE DYNASTY BOOKS) By Sterling Seagrave, Peggy Seagrave

In this epic account, drawing on overlooked and previously unpublished sources, the Seagraves destroy the long-held legend that demonized Dowager Empress Cixi [Tsu Hsi] as a murderous, sex-crazed monster, and present a startling and critical "flip-side" portrait. They provide overwhelming evidence that scholars were deceived by demented counterfeiter Sir Edmund Backhouse, and two lazy and unscrupulous journalists for The Times of London, whose lies, inflammatory articles, and books enflamed and defined world opinion, wreaking havoc on China with misguided policies, Western invasions, atrocities, looting and pillaging. The Seagraves have made a brilliant career of exploding sacred cows and correcting historical falsehoods, criminality and propaganda. What emerges is a true portrait of a lonely, semi-literate figurehead, manipulated by reactionary Manchu princes. Essential reading for anyone interested in China.

Editorial Review

Review

"An all-out revisionist assault on the established perception of Tzu Hsi...Seagrave provides as sad and outrageous a record of imperialism as can be found anywhere in the world."

--The San Francisco Chronicle

From the Publisher

"An all-out revisionist assault on the established perception of Tzu Hsi...Seagrave provides as sad and outrageous a record of imperialism as can be found anywhere in the world."

--The San Francisco Chronicle

From the Inside Flap

The author of The Soong Dynasty gives us our most vivid and reliable biography yet of the Dowager Empress Tzu Hsi, remembered through the exaggeration and falsehood of legend as the ruthless Manchu concubine who seduced and murdered her way to the Chinese throne in 1861.

Users Review

From reader reviews:

Dawne Feliciano:
